report dated 4th July 1930 that the amounts have been advanced from the 'temple accounts.' It is not clear what accounts are meant. Is it the account of the Mysore Government grant, or that of the institution in which receipts from other sources are also included? If the latter, on what authority were the advances made and to whom is the payment now due? It would also appear from the records that Mr. B.Anantarama Sharma is no longer in service. The validity of the claim requires ~~full~~ examination. The records may be gone through and the point about the tenability of the claim fully examined. The Sub-Division Officer suggested that, in view of the position, the best disposal would be to devote the amount towards the construction of a Rest House at Subramanaya. If the amount has been advanced from the account of the institution under the control of other authorities, the latter ought not to have resorted to this procedure without our permission.

The Mysore Panchayat & the Devasthanam Temple Manager. The payment of an annual was also urged. Quite independent of this proposal & having no bearing on the subject referred to above, the M.C. in para 3 of his letter dt 24/2/31 pointed out the real need for a rest house at Subrahmanya on account of the large number of pilgrims visiting Subrahmanya throughout the year. The temple is in the heart of a jungle where little or no accommodation available even on ordinary occasions. On Shashti festival & other memorable days the inconvenience caused to pilgrims is reported to be greater — Some officers & the staff deputed from here to supervise the Banabaz an Santhanam are also said to have had much inconvenience for want of a Rest house. The estimate for Rs 6000/— submitted for the purpose by the M.C. fell through for want of funds

Later on the Mysore Panchayatdars at Subramanya represented the need for a chathram for the use of Mysore Palace ...

NOTE—Contn Sheet

D. O. letter was received in this office letter of 28/12/31.

As regards the arrears of Pay & Padi Mana the M.C. was asked to investigate and report in the light of observations communicated in this office letter No 23355 of 14-4-31. The P.W.D. is silent about the several points raised in the Minutes of the First Member of Council (Revenue & Finance) Vide para 2 of the D.C.'s letter of 4/1/32 addressed to M.C. - from the discussion the D.C. Hassan had with the members of the Bd of Trustees it is seen that they are prepared to spend arrears of pay & padi mana for providing accommodation to Pilgrims by putting up a suitable building, though this is not substantiated in the letter of 14/12/31 from the Secy to the Bd of Trustees of the Temple. The D.C. refers to a letter of 15-12-31 which is not in the file of papers.

The records do not bear out that the services in respect of which arrears are now proposed were performed at any time. Now that the management has gone into the hands of the Bd of Trustees, it is hoped that there will be no irregularity of the kind noticed in para 5.

This is not also correct. In letter of 14.12.31 the Secy to the Bd. of Trustees of the Temple stated that the services were performed during the period in question. & Hassan D.C.'s letter of 4.7.30 it is also stated that the Secy & the Bd of Trustees satisfied that the Vinayagar has been regularly performed.

The m.c. from the beginning has been pointing out the need for a Rest house at Subrahmanya & it is said for considerable whether a definite undertaking in black & white from the Trustees to the effect that they would utilise the annual sums for providing a rest house subject to the conditions set forth in para 3 of the P.W.D need be obtained by the W.C. before sanctioning the payment of annual claims

[illegible]

A note on the several points raised is put up:-

(1) Re performance of Sevas during the period of claim. The Sub Collector in his report of 20th May 1928 doubted the performance of the Sevas during the period from April 1925 to July 1927 - as the accounts of the temple were not ready available then. But after getting the accounts, the Amildar of Ranjanabad which has forwarded an extract of the Accounts maintained by the Trustees during the expenditure incurred on account of the Sevas performed on behalf of the Department from April 25 to March 28. The Secy. of the Board of Trustees of the temple says also that Sevas during the period in question have been performed. The Dt Collector also agrees in this view as proper accounts have been maintained. It must be inferred that the Sevas have been performed.

WD 70—GBPM—60,000—13-8-31

(2) The account from which the amounts have been advanced ———

It is reported that as the amount received from the Mysore Govt. are credited to the General funds of the Temple and the Services performed and as there was no cessation in the Shiva Lanka Services during the period, the Temple management incurred this expenditure out of the funds of the Temple for the period in dispute, under the belief that the full amount would be paid to them without any hitch.

(3) The authority under which the advances were made & the fund to which repayment is due. ——— ———

As regards the authority for advancing the amounts from the Temple funds, the Secy. to the Board of Trustees in his letter dy 28.6.1927 to the RC states as follows:—

'I need only point out that 'Padithara & Deeparadhana' is being performed at Subrahmanyaswami (temple) from very old times & the Mysore Govt have been regularly paying the same. The Temple trustees are getting it done in view of the fact that the Govt. of H.H. the Maharaja of Mysore has authorised them to do so & there was no order to the contrary even during the disputed period in the fullest confidence that the necessary amounts would be paid. Just because there was some little trouble between the local servant & the Trustee, it could never have been thought that the Govt. of Mysore would refuse the 'Padithara & Deeparadhana' due to the Temple, as per

General and Revenue Secretariat — File No. 121 of 1930.

Long Standing manor.'

It will thus be seen that the advances ~~have~~ much unauthorized ~~from~~ made in the interests of the Sevas.

The amounts now claimed are due to the Subrahmanyaswami temple from the funds of which the advances have been made.

(4) Regarding the validity of the claim —

The only authority for the claim is the temple accounts which show that the amounts required for the Sevas have been paid & the statement of the Secy. to the Board of Trustees that the amounts have been advanced from the temple funds. The Secy. to the Bd. in his letter of 6.11.28 to the Amildar Mayavaram also has also stated that the Board is completely satisfied that the Vinayagas have been regularly performed & the necessary quantities of materials have been supplied by the temple & that the pay. to the Sevaks is also payable.

~~For the above reasons the Board is of opinion that the above claim will~~

(5) Regarding the point that the Hegde Parpathegar should have drawn & disbursed the amounts, it is reported that owing to some misunderstanding between the Hegde Parpathegar (Srinivasadas) & Mr. Ananthanarayana Sarma the then manager of the temple to receive the amounts in question through the Hegde Parpathegar the amounts were not drawn & disbursed by the Trustees

NOTE—Contn. Sheet.

WD 70—GBPM—60,000—13-8-31

(6) Re Construction of a Rest House at Subrahmanya

As the need for a Rest House at Subrahmanya is felt especially during the Champa Sasti festival, it is suggested by the DO Ranjanabad that the amount of the claim may be utilised for constructing a building ~~for the purpose~~ ~~the balance being paid by the~~ which is estimated to cost Rs. 4000/-

In his letter of 4th Jan 1932 the DC Hassan Dt. has stated that the Members of the Board are prepared to spend the arrears of Paditharam & Deeparadhana amounts (Rs. 1525-8-0) one to the temple for providing accommodation to pilgrims by putting up a suitable building & that the President gave Communication of this effect on 15.12.32 (The Communication of 15.12.32 is not in the file.) The DC is of opinion that this offer may be accepted provided at least half the Rest House is reserved for the use of Officers during the Champasasti festival at the place & the Trustees of the temple pay a moiety of the cost of Constructing the Rest House & its full maintenance cost or maintain it themselves. To be sure on this point definite it is desirable to have an undertaking from the Board of trustees about the Construction of the Building & the others conditions proposed

4. The Supdt's note supra clearly explains the situation. It is now clear (1) that the Sevas for which payments are now claimed have been performed,

(3) that there was no authority for making such advances except that the transfer procedure was adopted and

With reference to the Members minute of 30.5.32 it is respectfully submitted as follows:—

Para 2 of the M.C's letter of 23.2.32 only mentions the procedure adopted in respect of accounting of moneys received by the Temple on behalf of the Myore Govt. The verification of the amounts credited refers to the periods prior to that than the period of claim in question.

Further the M.C. Secy in the same letter, on that the expenses during the period of claim have been incurred by the Trustees of the Temple in the belief that the full amount would be paid back.

Vide also letter of 14.12.27 of the Secy to the Govt on which the above statements are based.

The papers also show that the amount required for the Govt Servants during the period of (arrear) claim has been

advanced by the temple funds
even though no funds on
behalf of the Inspector fund
were credited to the Fund.

The bills have
been prepared only for the
period during which
the money amounting to Rs. required
for the devas on behalf
of the fund were not paid
by the temple authorities,
but advanced by from the
Temple funds.

The question of Construction of a Rest House is only a
secondary question which
has been raised as a side

The question of arrear claim should be ascertained first to be paid to Comptroller and Auditor General. Then the claims have been paid: after this is done, as per many claims are prepared. SIR,

With reference to your letter No. Nil Dated 6th October 1930, calling for further information in the matter of the payment of arrears of padithara and deeparadhana due to the Sri Subramanyaswami temple, South Kanara District, from April 1925 to end of March 1928, I have the honor to forward herewith copy of Hassan Deputy Commissioner's letter No. C.1394-27 dated 24-1-1931, stating that owing to some misunderstandings between Mr.Srinivasa Rao, Mysore Parpathegar and Mr. Anantharama Sharma, the then Temple Manager, the amounts in question were not drawn and disbursed to the parties concerned every month as ordered by this office and that as the management of the temple was subsequently transferred to the Board of Trustees specially appointed for the purpose, the accumulated arrears were claimed on a supplemental bill. It is thus seen that the main cause for the accumulation of the arrears is due to the refusal of Mr.Anantharamasarma the then Manager of the temple, to receive the amounts in question through the Mysore Parpathegar. In the above circumstances, I request that the two bills for Rs.1526/- on account of the arrears of pay and padithara due to the temple, may kindly be sanctioned by Government as already recommended in this office letter No.P.C. 414/27-28 dated 3-9-1930.

The connected records accompany.

Subject:- Arrears of padithara and deeparadhane due to the Sri Subramanyaswami temple, South Kanara District from April 1925 to end of March 1928.

With reference to your memo No. P.C. 414/27-28 dated 16th October 1930 on the above subject, I have the honor to state that it has been reported by both the Amildar and the Sub Division Officer that owing to some misunderstandings between Srinivasa Rao, Mysore parapathegar and Mr. Anantharamasharma, the then Temple Manager, the amounts in question were not drawn and disbursed to the parties concerned keeping monthly accounts. The management of the temple having been transferred to the Board of Trustees specially appointed for the purpose, the accumulated arrears were claimed on a supplemental bill and submitted for sanction.

The main cause for the accumulation of these arrears is also reported to be due to the refusal of Mr. Anantharamasharama the then Manger of the temple, to receive the amounts in question through the Mysore parapathegar.

In the above circumstances and in view of the fact that these claims for pay and padithara are pending from a very long time, I request you to be so good as to kindly obtain sanction of Government to admit these claims.

Sir,

With reference to your letter No. D.C.414 27-28 dated 10-2-31 requesting sanction to the two bills amounting to Rs. 1526/- on account of the arrears of pay and Paditara due to the Sri Subrahmanyaswami temple, S.C. District, I am directed to observe as follows:-

From a perusal of the ~~Please see Para~~ S.D.O's report dated 10.5.1929, ~~the~~ it is not established that the services for which these payments were due, were really performed for the whole of the period for which the claim is now preferred. Then again, it is stated in the D.C's report dated 4th July 1930 that the amounts have been advanced from the 'temple accounts'. ~~It is not clear what accounts are meant. Is it the account of the Mysore Government grant, or that~~ of the institution ~~in which receipts from other sources are also included?~~ If the latter, on what authority were the advances made and to whom is the payment now due. It would also appear from the records that Sri. B. Anantarama Sharma is no longer in service. The validity of the claim requires examination. The Sub Division Office suggested that, in view of the position, the best disposal would be to devote the amount towards the construction of a Rest House at Subramanya."

~~An exhaustive~~ A full report containing information on all the points raised above is required. The records received are herewith returned for reference and retransmission.

SIR,

Referring to correspondence ending with your letter No.2235 Muz.121-30-4 dated 14th April 1931 regarding the Paditara to the temple of Sri Subramanyaswami, I have the honour to forward herewith copy of letter C.C.1694-97 dated 22nd December 1931 from the Deputy Commissioner, Kasaragod District answering some of the points raised in your letter under reply and requesting the sanction of the accounts to the following bills drawn by Rs.1235-8-0 in addition to recovering the advances made on the bills.

2. As it is reported by the Deputy Commissioner that the examining officers have found that the amounts drawn by the temple Committee from the general funds of the temple in excess of the sanctioned scale (vide G.O.F.D.1711(1)-30 dated 4th April 1931) were spent on the expenses during the period of the Chief Commissioner's visit and as the Chairman ~~of the Committee~~ of the Committee will be personally liable, I do not think the question arises in this case. The bills may, therefore, be recommended, the charges being met from the general funds.

3. In this connection, I invite attention to the orders in G.O.F.D.229-30 dated 4th June 1930 [illegible] stating that the Board of Trustees [illegible] Paditara and Deeparadhane [illegible] accommodation to pilgrims [illegible] during the [illegible]

officers during the Champashasti season and the balance estimated cost and the maintenance charges are met from temple

4. In the circumstances I request that the arrears bills referred to above may be sanctioned subject to the above conditions. The ---- Deputy Commissioner will be requested to obtain a definite undertaking from the temple Trustees to the above effect before the amount is --- actually ~~is~~ disbursed.

5. The file of correspondence papers is sent for reference and return.

I have the honour to be,

Sir,

Letter No.P.R.299-30 dated 4th January 1932 from the Deputy Commissioner, Hassan District to the Huzur Commissioner in Mysore.

Re the construction of a rest house at Subramanya in the -- South Kanara District for Mysore Officers.

With reference to your letter No.1743/30-31dated 22/7/31, on the above subject, I have the honor to state that when I had been to Subramanya to supervise the conduct of the current year's Barahmoor Santharpane, I inspected the land proposed for the construction of a rest house for the use of Mysore Government Officers. The land in question is situated on the left side of the road leading to the -- temple. There is no convenience of water in the place and it is covered by rank vegetation all round.

When I discussed this matter with the members of the Board of Trustees of the temple they told me that they are prepared to spend the arrears of Padithara and Deeparadhane amounts (1525-8-0) due to the temple for providing accommodation to pilgrims by putting up a suitable building and the President gave Communication on 15-12-31 to that effect which is herein enclosed.

This has not been received

In order to construct a building nearly Rs.4000/- is required and as such I am of opinion that this Government may offer to accept the offer provided at least half the rest house is reserved for Mysore Officers during the Champasasti festival at the place and the ------ Trustees of the temple pay a moiety of the cost of constructing the rest house and its full maintenance cost or sustain it themselves.

Re: the arrears of pay and madithara due to the temple servants at Subramanya in the South Kanara District from April 1925 to end of March 1928.

With reference to your Memo No.P.C.414/27-28 dated 17th April 1931 on the above subject, I have the honor to state as follows:-

On examining the accounts maintained by the temple, authorities during my visit to Subramanya, it was found that the amounts received from our Government are being credited to the General Funds of the temple. The Secretary to the Board of Trustees of the temple who was consulted in the matter has presented an application on 14-12-31 in which he has stated as follows:-

1. "That the temple accounts show, that the services for which the payments were due, were and are being conducted prior, subsequent to and during the whole of the period for which the claim is now preferred

2. As the amounts received from the Mysore Government are credited to the General Funds of the temple and the services performed and as xx there has been no cessation in the stipulated services during the period in question, the amount has become due to the temple.

3. The temple management incurred these expenses for the period in dispute under the belief that the full amount will be paid to them without any hitch.

4. Mr. B. Anantharamasarma is no longer the Trustee. The amounts are therefore to be paid to the temple accounts.

5. As the amounts have been advanced from the temple funds, it would not be right to with-hold it now.

6. Under the circumstances, the amount cannot be utilised for the construction of the proposed rest house by the Mysore Government.

7. The application referred to above along with the connected ---- vernacular paper files are sent herewith.

8. I request that early orders may be passed in the matter of sanctioning the bills in question.
